JOHN S. JOHNSON

Again Figures in a Record Performance. Mile Standing Start Broken. LOUISVILLE, KY., Nov. 7 .- It was the

verdict of the spectators present, and L. A. W. officials in charge, to-day, that "Johnnie" Johnson's work at Fountain Ferry stamps him as a marvel among riders. He made a trial against the standing start paced one mile world's record, held by the Class B man, Otto Zeigler, and, though he rode over one-third of a mile unpaced, he tied the record of 1:50 2-5. Not satisfied with this, he tried it again within twenty minutes, and, notwithstanding a most miserable pick-up by the second quad, which carried him outside on the top of the bank, he lowered the record to 1:50 1-5. Fractional: Half, :57 2-5; two-thirds, 1:14 3-5.

1:50 1-5. Fractional: Half, :57 2-5; two-thirds, 1:14 3-5.

C.W. Miller, "the Flying Dutchman," of Chicago, A class man, made a sensational five miles, paced from standing start, in which he lowered class A, 11:01; class B, 10:22, and world's records (professional) 10:11. Time, 10:07. S. C. Cex, of Ohicago, broke De-Cardy schass B record for two miles, flying paced. Time, 3:48 1-5 against 3:53 2-5.

This is a "Reast."

Word resched Pittsburgh by stage coach from Wheeling postoffice yester-day that for reasons untold but susday that for reasons unton our supported the Metropolitan Athletic Club? would go out of existence at once. This will be indeed good naws to all clean sport, and the Metropolitan people show their shrewdness in getting off the face of the earth before being knecked off. After the club's yellow work in the Sm:th-Farrachor attair of last Monday, this must room affair could not hope to stand. It seems a pity that any club which promised so well should go down covered with shame as is the Metropolitan. Metropolitan.
